COURTESY MOTORS INFORMATIONAL NEWSLETTER

FEBRUARY 2010

Hi Everyone,

I hope the new year has started well for you. This is the first of a series of newsletters I will be sending throughout the year to a select group of customers informing you of all upcoming special events, promotions, new models, safety and maintenance tips and more.

Always keep in mind, regardless of the distance, we can sell and deliver new Ford, Lincoln, Mercury and Dodge models, and most pre-owned vehicles, nationwide... right to your door. With today's

technology, you can view our entire new and used vehicle inventory right at home by visiting our website, *CourtesyFLM.com*. And, as always, I'm merely a phone call away.

Your friendship and patronage are greatly valued. Please don't hesitate to call (630) 699-1997 or email me at rfregia@gmail.com with any questions or concerns. Our inventory is outstanding and our prices are unbeatable. I hope to hear from you soon.

All the best in the new year,

Rik Fregia

5 STEPS TO A HEALTHIER CAR

The Automotive Information Council asked professional mechanics to recommend the most critical maintenance tasks that keep a car running reliably. These are their top five recommendations. Do you take care of these areas regularly? If you do, it can help you get more for your car at trade-in time.

1. Oil and filter changes ranked #1 as the most important and most neglected area. Check your manual for recommended intervals.
2. Tune-ups - at least once a year.
3. Accessory belts - check them all frequently for wear, fraying, cuts and replace any that don't look good.
4. Hoses - replace any that are cracked, leaking, oil soaked, spongy feeling or excessively hard.
5. Suspension and steering lubrication - renew grease at least once a year.
