WHAT IS A PREFERRED OWNER CARD?

OUR PREFERRED OWNER CARD IS A BENEFIT WE GIVE OUR LOYAL CUSTOMERS WHO KEEP THEIR VEHICLE IN TOP CONDITION AND WANT TO REDUCE THEIR OVERALL OPERATING COSTS.

How Do I Obtain My card?

Ask your service advisor, a sales associate, or our cashier to sign you up. All you need is a valid email address to access your account and to receive advance notices of sales and specials.

Why Do we have this Program?

As you know, at Bud Kouts Chevrolet we are committed to being your best alternative for maintaining and repairing your vehicle.

This includes maintaining a clean, organized, first-rate facility and keeping up with rapidly changing technical aspects of today's vehicles through advanced training and obtaining the most up-to-date equipment to service and repair your vehicle. We also hire and train individuals who are head-and shoulders above the industry average to assure superior customer service

Making our customers happy is about making it easy to do business with us. We are continually working to expand the services we can offer our customers and increase the value of what we do. Bud Kouts Chevrolet removes the guesswork of maintaining your vehicle by using a sound scientific approach wherever possible.

Our approach of only doing what is necessary helps our customers maintain their vehicles at the lowest overall operating costs, increasing reliability and maintaining a higher resale value. We believe that it is just as risky to have someone that is not qualified assess the condition of your vehicle and attempt to help you make important decisions about maintaining what, for many is their second largest financial investment. That is why we insist that each of our technicians specializes and continues to take advanced training each year in their area, and why we employ ASE certified master technicians.

How the Program Works

Once you register with a valid e-mail address, you can receive preferred owner only specials and coupons, as well as receive advance notice of upcoming specials and promotions.

Preferred owners accumulate dollars based on the amount you spend. Accumulate these dollars and use them just like cash in our store.

Dollars are redeemable in our Service, Parts and Body Shop, or our Pro Shop. Dollars earned in the Sales department may only be used through New or Used sales. (Some restrictions may apply) Accumulate dollars on your card and use them toward an oil change or detailing job or any other service we offer.

We will give you a Preferred Owners card that has a retail value of over **\$500** and includes free rental cars with service (with advance arrangements). **\$250** towards the purchase of your next new or used vehicle (**GMS customers are excluded from this portion of the program**). **5%** of every purchase in our service department will be added to your account for future purchases.
